

SI Analytics® Lab945Set/Lf513T

Product Images

Description

Laboratory conductivity meter Measuring ranges 0.000 µS/cm...500 mS/cm, TDS, salinity, temp., microprocessor. Including stand, power supply unit, conductivity measuring cell LF513T and conductivity test solutions in ampoules (6 pcs.)

Additional Information

No.	SY-1033
Manufacturer (Brand)	SI Analytics
