€31.36
plus VAT &
Shipping

Product Images

Description

QuickFix Plaster Dispenser 5506 fully equipped with two refill packs of 45 Aloe Vera plaster strips each - soothing and moisturizing, fastening material and key for theft protection. For minor injuries, the plaster strips can be quickly and easily removed from the dispenser and are already opened on one side, so that the plaster is only applied to the wound! The dispenser can also be refilled with other types of plasters from the QuickFix range. The aloe vera contained in the wound dressing is known for its soothing, moisturizing and calming properties. Optimal conditions are created for the wound environment and the natural healing process is promoted. Product features - PZN: 15570890 - Dimensions (H x W x D): 133.5 x 232.5 x 33 mm - high standard of hygiene due to completely and individually packed plaster strips - optimal protection of the plaster against external contamination - soothing and moisturizing - supports the healing process - air-permeable - skin-friendly - suitable for sensitive skin
