## B-SAFETY® QuickFix plaster dispenser UNO 5531 transparent

**€16.62**  
**plus VAT &**  
**Shipping**

### Product Images

## Description

---

This small plaster dispenser combines safety in the workplace with modern design. The shapely dispenser is transparent, so that the plasters for first aid can be seen very easily. It contains a plaster refill with 45 elastic plasters and thus offers quick first aid for minor cuts. Each plaster is hygienically packed individually and already unpacks itself when pulled out of the dispenser. The small dimensions allow the plaster to be applied to almost any desired location. The QuickFix UNO can either be screwed on or attached with adhesive strips. Product features - PZN: 13360243 - Dimensions (H x W x D): 85 x 130 x 35 mm - high standard of hygiene due to completely and individually packed plaster strips - optimal protection of plasters from external contamination - immediate and visible access to plasters - for wall mounting at the directly endangered workplace - clear indication when dispenser is empty, quickly refillable - the plasters are CE-marked - individually fillable according to your special needs with all plaster refills from the QuickFix plaster range
