Product Images

Description

QuickFix refill pack 5516 with 45 Blood Stopper plaster strips. Plaster with haemostatic effect. The alginate fibers between the nonwoven fibers of the dressing create an artificial clot (gel) inside the dressing, which stops bleeding within one to two minutes and provides optimal moisture conditions. Product features - plaster strips dimensions (H x W): 72 x 25 mm - stops bleeding - with alginate fibers - improved protective effect - supports the healing process
