neolab® Biohazard cooler bag, 65 L

€339.00
plus VAT &
Shipping

Product Images

Description

The **Biohazard cooling bags** are perfectly suitable for the transport of biological material of category B (UN3373, ADR 2013 / P650). The bag wall, reinforced thanks to the polyurethane foam, guarantees an effective isothermal storage of the cooled and heated samples from -20 ° to 37 °C. Likewise, the removable stabilizing wall with a thickness of 3 mm provides optimal cushioning protection against shocks.

- With clear marking - UN3373
- With carrying strap
- Interior with pockets for storing cold packs and documents
- Available in 4 sizes
