Product Images

Description

Wearing **overshoes** is one of the most important measures against contamination in sensitive manufacturing and medical areas. However, putting on overshoes is often a nuisance and quickly becomes a balancing act. The Hygomat overshoe machine offers the solution. The appropriate overshoes are supplied in the cassettes designed for the Hygomat. Changing the cassette is child's play and possible within a few seconds.

Design suitable for pharmaceuticals and hospitals

- CPE (Cast Polyethylene)
- Color: green
- strong quality, 60 µm
- light protection against liquids
- very cheap
