### Product Images

## Description

---

Sporty, dynamic metal glasses with high flexibility and low weight.

Thanks to an innovative frame design, it offers a perfect fit even with different head sizes.

The individually adjustable nose bridge further increases wearing comfort.

The lens is held to the frame at three points without screws, ensuring a high level of safety under mechanical stress.

Lenses with anti-fog coating, anti-fog and scratch-resistant.

100% UV protection.
