Product Images

Description

One of the lightest full-face goggles on the market:

Ultramodern material and manufacturing technologies ensure a low weight (only 46 grams), a low volume frame and maximum mechanical strength. TPU overlay firmly welded to the frame allows perfect fit and easy cleaning.

A high-quality and durable headband ensures a perfect fit.

uvex carbonvision goggles are recommended against dust, liquid splashes and mechanical risks.

Frame: black/grey

Lens: PC colorless

UV protection: 2-1.2

Coating: supravision extreme (scratch-resistant on the outside, permanently fog-free on the inside)

Ideal to combine with respirators and bump cap.
