### Product Images

## Description

---

Our preformed respirators are completely free of adhesives and solvents. High elasticity is achieved through the special texture. The innovative Micronet is more resistant than other filter materials and protects against dirt, dust, liquids and even mechanical stress. Our masks fit perfectly to different head shapes and can be wonderfully combined with other PPE. - without exhalation filter - protection level FFP1 - filter class P1 - EN 149:2001 + A1:2009 - packaging unit: 10 pieces
