Product Images

Description

Respiratory half masks for maximum safety in shape-optimized design from Uvex.

Completely metal-free. Certified according to EN149.

The anatomical design and soft material edges prevent pressure points.

Easy to distinguish thanks to different font colors depending on the safety level (orange = FFP2, black = FFP3).

Compatible with Uvex protective eyewear thanks to optimized nose area.

Seamless, continuous headband for comfortable and secure fit of the mask.

Order No. 1-1605

Model: silv-Air 8312

Foldable mask

With V-contour seam for particularly good adaptation to the shape of the face.

Mask with safety level FFP3

Protection against harmful substances up to 30 times the limit value.

Exhalation valve reduces heat and moisture under the mask.
