Product Images

Description

Effective protection against gases, vapors and particles.

Immediately usable Complete masks with integrated filter elements that provide low breathing resistance and unrestricted vision.

Dolomite dust test (D) guarantees a long service life of the particle filter.

Parabolic exhalation valve reduces heat build-up.

Comfortable strapping with head support for a secure fit.

For protection against organic vapors, inorganic and acid gases, particles and mists.

Additional Information

No.	2-2089
