Product Images

Description

A quick, easy way to test the safety of a fume hood.

Just press the plastic bottle once or twice and a cloud of ultra-fine, lightweight silica gel powder escapes. Also useful for detecting drafts, leaks and airflow in rooms, ducts and exhaust systems.

The amorphous silica gel powder is

- non-flammable
- non-toxic and safer than smoke generating devices.

Additional Information

No.	6-2285
Manufacturer (Brand)	neoLab
EAN	4058072070670
Transport temperature	Room temperature
Material	Silica
Weight	10 g
