Shipping

Product Images

Description

DURAN® silicone lids

- Can be used for a wide range of vessels and their different shapes for covering and sealing
- The autoclavable DURAN® silicone lids close flush (precisely fitting) with the tube and thus protect e.g. against dust ingress or splashing of the reaction solution.
- The different colors and the additional text field on the flap allow samples to be visibly and clearly marked.
- Easy to clean, dishwasher safe and reusable
