## neolab® protective sleeve for suction flasks 2000-3000 ml

**€18.10**  
**plus VAT &**  
**Shipping**

## Description

---

Protective sleeve for suction flasks on which funnels or filter chutes are to be placed. The sleeve seals by itself due to the molding and the application of vacuum. In addition, the suction flask is protected against breakage by the overlap at the upper edge. Material: EPDM

## Additional Information

---
