SmartRack® wall mount

€79.99
plus VAT &
Shipping

Product Images

Description

The wall mount is hooked into the slot rail like a module and offers an additional option for securing the **SmartRack®**. The supplied stand rod can be inserted into the wall mount from all three directions in space and then fixed to an existing stand rod, or other permanently installed rods in the laboratory. This immobilizes the SmartRacks® and fixes it in this location.
