### Product Images

## Description

---

This Heat-On insert is suitable for heating 10 ml round bottom flasks. For optimal use, it is recommended to purchase the Multi-Well holder including safety handles. The maximum temperature for continuous use is 260°C. To measure this accurately with a temperature probe, a small hole is provided on one side of the Multi-Well holder.

## Additional Information

---

No.	BH-1368
Manufacturer (Brand)	Heidolph
